OFFICE OF THE DEAN OF UNDERGRADUATE & GRADUATE STUDIES

## ENRICHMENT COURSE

**JUNIORS AND SENIORS ARE ALLOWED TO TAKE A 6<sup>TH</sup> COURSE FOR PERSONAL, INTELLECTUAL ENRICHMENT.** Students must consult their academic advisor and their class dean before registering for a 6<sup>th</sup> course for enrichment and cannot be short credits at the time of the enrichment request.

- Registration for enrichment courses occurs during the course adjustment period. However, if you are anticipating taking an enrichment course, you are encouraged to attend class from the outset.
- A 6<sup>th</sup> course taken for enrichment will not incur additional tuition charges.
- Credits from enrichment courses must exceed the required credits for graduation and do NOT fulfill *general degree, core, or major/minor requirements*. Enrichment courses do not make-up for academic deficiencies such as failed courses, short credits, etc., nor will they affect a student's status (date of graduation). Courses taken for enrichment are normally restricted to regular course offerings (excluding individualized instruction in independent studies, internships, etc.) with sufficient enrollment on a space-available basis. See page 41-42 of the UG Catalog for a detailed explanation of the enrichment option.
