

Call for Student Papers

Students (and recent graduates) from the Northeastern Section are invited to present talks at the Fall meeting on topics in mathematics, statistics, or computer science. The presentations should be 10-15 minutes in length, on expository work, research projects, employment experiences, or problems from mathematical periodicals. The registration fee and cost of meals will be waived for one student presenter per paper. Interested students should contact Michael Cullinane, mcullina@keene.edu, or Lisa Humphreys, lhumphreys@ric.edu. The deadline for submission is Nov.7.

Call for Contributed Papers

Participants at the Fall Meeting of the section are invited to submit contributed papers. We are particularly interested in papers that will appeal to a variety of participants. If you are planning to speak about results of your research, keep in mind that the audience most likely will not be familiar with your specialty, so you will want to give some motivation and context for your work. Your presentations should be approximately 15 minutes in length. Please send an abstract and your mailing address together with a list of any special equipment you may need to Tommy Ratliff at tratliff@wheatoncollege.edu. Email submissions are preferred, but you may also send a typed submission to Tommy Ratliff; Department of Mathematics; Wheaton College; Norton, MA 02766 The deadline for submission of abstracts is Nov 1.

Call for New Faculty Session

New faculty are invited to submit papers for the New Faculty session at Northeastern Section Fall MAA meeting. The purpose of these talks is to introduce you to the section. These talks should focus on either your research or pedagogical activities. If you are giving a talk on your research, please remember that there will be people in the audience that are unfamiliar with your research area so it might be helpful to give some background and motivation. Your presentations should be approximately 15 minutes in length. Overhead projectors and PC computers (no Macs) with projection capabilities will be available. Please send a 25 word or less abstract, any special equipment needs you may have and your mailing address to Phil Hotchkiss at photchkiss@wisdom.wsc.ma.edu or Chris Aubuchon at aubuchoc@badger.jsc.vsc.edu. Email submissions are preferred, but you may also send a typed submission to

Phil Hotchkiss
Department of Mathematics
Westfield State College
Westfield, MA 01086

or

Chris Aubuchon
Department of Mathematics
Johnson State College
337 College Hill
Johnson VT 05656

The deadline for submission of abstracts is November 1.
