

**Northeastern Section NExT at Fall Meeting.....Lisa Humphreys**

The Northeastern Section is continuing with its Section NExT activities for new and relatively new colleagues at this year's spring Section meeting. By providing talks and workshops on issues of interest, opportunities to meet and share ideas with other new colleagues, and an introduction into Section activities, we hope to assist new faculty in their transition from graduate school to professional academic life. We welcome all untenured full time faculty, both those who have and have not been National NExT fellows. We also welcome all newly hired faculty (those of whom will begin their appointment in the summer or fall of 2003).

The program will begin at 10:00 am on Friday, November 21, 2003. Paul Blanchard of Boston University, a former NES/MAA Distinguished Teacher recipient, will share how he uses technology and the web to enhance instruction. David Abrahamson, 2003 recipient of the Paul Maixner Award for Distinguished teaching at Rhode Island College, will share some of his ideas about teaching and how he uses humor in the classroom

If you are interested, please contact Lisa Humphreys of Rhode Island College at [lhumphreys@ric.edu](mailto:lhumphreys@ric.edu). You should also register for the Section meeting by completing the registration form in the Section Newsletter and check off that you will be participating in the Section NExT program. (If you did not receive a Newsletter, indicate that to Lisa.) Note: the Section NExT activities are free.
