

Northeastern Section NExT at Fall Meeting.....Lisa Humphreys

The Northeastern Section is continuing a Section NExT program for new and relatively new colleagues at this year's fall Section meeting. By providing talks and workshops on issues of interest, opportunities to meet and share ideas with other new colleagues, and an introduction into Section activities, we hope to assist new faculty in their transition from graduate school to professional academic life. We welcome all untenured full time faculty, both those who have and have not been National NExT fellows.
