---

**Significance (under 150 words): In non-technical terms, why is this work important?**

**Project Description: Please describe your research question(s) and describe your research plan. Description should be written for an educated but non-technical audience. DO NOT EXCEED SPACE PROVIDED. References not required in application, but should be made available upon request.**

**Group Work Plan: Concisely describe each group member's contribution to the project and how group members will distribute the work required to complete this project equitably.**

**Budget and Budget Justification:** List your requested budget items, prices and sufficient details of the calculations used to arrive at your request. Approved travel will be reimbursed at the standard [GSA per diem rates](#). Round to the nearest dollar and be sure to include all shipping costs. Include a justification for each item: Why are these resources required?

#### IV. Certifications

**Faculty Mentor Certification:**

Are there any other sources of funding for this work? If so, how will this funding complement rather than duplicate other sources of support.

- I am a full-time Providence College faculty member and agree to serve as faculty mentor for this project.
- I have reviewed the application and believe the project is feasible as described.
- I agree to be contacted and provide further recommendation by telephone or letter, upon request.

Mentor Signature

If your group has more than 4 members, print this page as many times as needed.

**Student Certification:**

- I certify that I helped author this application and that the information provided is true.
- I agree to present my research at a campus-wide undergraduate research forum.
- I agree to submit a final report detailing the results of the research project at the end of the semester.
- I will acknowledge Providence College Undergraduate Research Committee support in any resulting presentation or publication.
- I authorize Providence College to use material contained within this application and/or the final report for promotional purposes in print and/or on the web.
